### **BRANDENBURG 5 REHEARSAL**

I believe the soloists have been working on this great piece with a view to rehearsing it after the AGM in November and performing it at the December concert. It requires a small string orchestra, but so far not enough people have volunteered to make it viable. Please contact me if you want to play, even if you can't manage November 13th we should manage a run-through on the day.

### **NEXT CONCERT**

The following concert will be on December 13th, when the Organiser will be Liz Sharma. Please let her know if you have anything to offer, though I think there isn't much time left after the Brandenburg performance.
